

Neo Duo Stroller

NEO DUO 01

The Neo Duo is the side by side pram that brings family closer. Designed to foster family bonding from day one, it delivers superior comfort and connection for both newborns and growing toddlers.

The Neo Duo celebrates the bond between twins from the very beginning. It gives twins equal comfort and connection from day one. Built for smooth rides, shared giggles, and every journey together – side by side, from day one.

- Easy to Manouver, built for togetherness, and crafted for families who move side by side through every adventure.
- Spacious all-season bassinet with a large breathable panel Reversible and reclinable side by side seats for ultimate comfort and connection.
- Extra large, all-terrain wheels for comfort on any terrain.
- Extra large underseat basket
- Agile and responsive one-hand T-Shaped handle bar for one handed steering, with a tight turn radius for easy navigation around curbs and corners
- Side-by-side bassinets keep newborn twins close to you for emotional reassurance
- Despite seating two children side by side, the Neo Duo is designed to fit through most standard doorways, helping make shops, cafes and everyday outings easier to navigate.
- The Neo Duo is car seat compatible when used with the appropriate adapters.
- The configurations available for the Neo Duo give you unrivaled flexibility. Cruise with a newborn and extra storage, or let siblings stroll together at the same height.
- Large puncture-proof wheels and a tight turning radius make the stroller easy to push, steer, and maneuver one-handed on any terrain, even when fully loaded with kids and groceries.
- The Neo Duo is available in three unique configurations to accommodate growing families. In single mode, it's suitable for one newborn or one toddler, with a shopping basket . If you have more than one child, the double or twin configuration is ideal for sibling connection as the side-by-side geometry lets them ride at the same height. The double set-up is configured for one newborn and one toddler, or two toddlers. The twin set-up is configured for two newborns, or two toddlers to ride together.

You will need a colour pack for a canopy and seat liner (sold separately)

Neo Duo Seat

NEO DUO 02

Expand your Neo Duo stroller as your family grows with the Neo Duo Second Seat. Designed to perfectly match the padded comfort and stylish look of the original seat, this addition effortlessly transforms your single pram into a double, making it ideal for families with children close in age.

Key Features:

Seamless Double Conversion: Easily attaches to your pram frame to accommodate a second child, giving you ultimate flexibility for your growing family.

Reversible & Lie Flat: Seat your child facing you for bonding or facing the world to explore, complete with a full lie-flat recline for comfortable naps on the go.

Grows with Your Child: Suitable from newborn up to 22 kg (matching the capacity of the main seat), it features a generously sized seat, a tall backrest, and an adjustable footrest for lasting comfort.

Effortless Magnetic Harness: Equipped with quick-click magnetic buckles that snap together automatically, making it fast and easy to secure even the wriggliest of passengers.

Convenient Access: Features a handy pivot-swivel bumper bar to help you get your child in and out of the seat with minimal fuss.

Designed to be used with an adjustable hood featuring and airflow mesh panel and seat liner (hood sold separately as part of the Neo Duo colour pack).

Neo Duo Mosquito Net

NEO DUO 08

Keep your little one safe from pesky bugs while on the go with the Neo Duo Mosquito Net. Custom-designed for the Neo Duo Stroller, this lightweight cover combines reliable outdoor protection with a thoughtful, child-friendly design. Fits on the Neo Duo seat and Bassinet.

Key Features:

- Tailored Fit:** Specifically designed to integrate seamlessly with the Neo Duo Stroller.
- Reliable Insect Protection:** Effectively shields your child from mosquitoes and flying pests while you are out and about.
- Breathable Visibility:** Crafted from sheer mesh to ensure optimal airflow while giving your baby an uninterrupted view of their surroundings.
- Spacious Interior:** The structured design prevents sagging and holds its shape, creating plenty of comfortable wiggle room for your child.
- Quick & Secure Attachment:** An elasticized binding stretches easily over the stroller for a fast, snug, and secure fit.
- Travel-Friendly:** Highly compact and lightweight, making it easy to stash in your diaper bag or stroller basket whenever you need it.

Neo Duo Sun Shade

NEO DUO 09

Shield your baby from the harsh Australian sun with the Love N Care Neo Duo Sun Cover. Designed specifically for the Neo Duo stroller in both single and bassinet modes, this high-quality shade cover provides essential UPF50+ protection. Fits on the Neo Duo seat and Bassinet.

Key Features:

- Maximum Sun Protection:** Crafted from soft, durable UPF50+ knit fabrics to effectively block harmful UV rays and reduce glare.
- Versatile Compatibility:** Fits the Neo Duo Stroller perfectly, enclosing the front and sides in both single seat and bassinet configurations.
- Breathable Visibility:** Features an integrated mesh window that promotes optimal airflow while letting your little one watch the world go by.
- Quick & Easy Attachment:** Fastens effortlessly to the front of the stroller for instant shade and convenience on bright days.
- Compact & Portable:** Lightweight design folds down neatly, making it easy to stash in your nappy bag or pram basket when not in use.

Neo Duo Car Seat Adaptors

Transition smoothly from the car to the stroller with the Neo Duo Car Capsule Adaptors. Designed for everyday practicality, these adaptors allow you to securely click your compatible car capsule directly into the stroller frame, making travel with your baby effortless while minimizing disruptions.

Key Features :

Seamless Transitions: Move your baby from the car to the pram quickly and conveniently, reducing unnecessary handling or waking.

Side-Specific Design: Each side of the Neo Duo stroller requires a dedicated set of adaptors. Ensure you attach the designated left-side adaptors to the left and right-side adaptors to the right.

Safe Sleep Reminder: A car capsule attached to a stroller chassis does not replace a cot or bed. For extended sleep, always transfer your baby to a suitable pram bassinet, cot, or bed.

Compatible Car Capsules:
