RAINCOVER

CAR SEAT ADAPTORS

- Keep your little one high and dry with the Phantom Rain Cover. Attaches easily and securely to the Phantom stroller
- Whether you're going on daily activities closer to home or exploring the world, this is an essential item.
- Compatible with the Phantom Stroller.

With the optional capsule adaptors, the Phantom System stroller expands to accommodate your growing family, becoming a full travel system. Transfer your infant without fuss or disruptions from the car to the stroller. Your Infant Carrier Car Seat may be quickly and easily installed onto the stroller chassis by using these car seat adaptors that are connected to the main seat unit fittings. The perfect way to drive and shop. Adaptors accommodates Maxi Cosi Mico, Joie I Gemm and Nuna Clik Infant carriers to transform the stroller to a travel system

PHANTOM

Lightweight, small and foldable including reversible seat - no matter in which seat direction! Our Phantom Stroller makes traveling easy and stress-free for parents! Stay relaxed, even when traveling!

- No extra work. All our models can be folded with simple folding mechanisms including the Reversible seat - no matter in which direction it is placed.
- With just a flick of the wrist, the Phantom is folded in an instant.
- To save even more space, the tires can be quickly and easily removed and then remounted.
- All wheel suspension - Optimal driving comfort and minimal vibrations thanks to suspension of all tyres.
- The Phantom can carry children with a body weight of up to 22 kg.
- Parents always have a lot with them. Our XXL baskets offer enough space for shopping, bags, jackets and more.
- The reversible seat can be easily adjusted from the upright sitting position to the ergonomic reclining position.
- The padding in the seat is extra lined to provide comfortable support.
- The Phantom stroller protects your baby from wind and cold drafts with a resistant wind stopper.
- The 5-point harness system can be adjusted to fit and is comfortable for the little passengers thanks to comfort padding.
