

SOOTHEⁿ SWING

The Love N Care Soothe N Swing is designed to recreate the gentle motions parents naturally use to comfort and soothe their baby, helping keep little ones relaxed and content while giving you a moment to recharge. Featuring four parent-inspired swing patterns and three adjustable speed settings, it can be tailored to suit your baby's preferences and changing moods. Built with a dual-arm frame and stable base, it provides enhanced safety and stability compared to traditional infant swings. The soft, breathable seat includes two recline positions, creating a comfortable space for your baby to rest, play, or observe their surroundings. Two plush hanging toys and built-in lullabies add extra entertainment and soothing comfort. More than just a baby swing, it also converts into a stationary seat and is suitable for children up to 66 lbs (30 kg), making it a versatile solution that grows alongside your child.

loveⁿcare™

Features:

Dual-Arm Support System: Designed with both front and rear support arms, our innovative dual-arm structure keeps the seat securely in place throughout every swing motion, providing enhanced stability compared to traditional single arm baby swings.

Parent-Inspired Swing Motions: Featuring 3 natural swing patterns and 3 adjustable speed settings, this baby swing replicates the comforting motions parents use to soothe and calm their little ones.

Soothing Sounds & Plush Toys: Keep your baby relaxed and engaged with 8 gentle built-in sounds and 2 soft plush toys that encourage sensory exploration and development.

Comfortable, Ergonomic Seat: A spine-supporting design, breathable mesh fabric, and 2 recline positions create a cozy and comfortable environment for resting, playing, or observing the world around them.

Versatile 2-in-1 Design: Easily converts from a baby swing into a stationary seat, accommodating children up to 30kgs and providing lasting value as your child grows.

Important Safety Information:

- (1) Swing mode is intended for babies up to 9kgs or 9 months of age, whichever comes first.
- (2) Do not connect the power supply while using the product in stationary seat mode.

Easy-Clean Convenience: The removable seat cover features a zip-off design and is machine washable, making everyday cleanup quick and hassle-free.
