Into a soft cocoon, with safety...

NOVA : Multifunction pregnancy pillow

Softness and security, Nova is a convertible pregnancy pillow. Thanks to its baby nest it can be changed into a snuggle baby chair.

1-Pregnancy pillow : ease belly's mum during pregnancy.

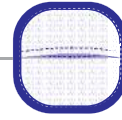

2-Removable Baby nest : comfortable in its cosy nest, baby feels good. Thanks to the dorsal support, its head will be held easily and safely.

3-Breastfeeding cushion : during the meal, NOVA will release mum (or dad) 's back.

4-Snuggle baby chair : combining the baby nest with the pillow, NOVA can be changed into a very comfortable and cosy chair.
