IOVE CARE LONE RIDER STROLLER

FEATURES:

Lone Rider Stroller is a lightweight, smooth and easy-to-use stroller that becomes incredibly small and compact when collapsed - a perfect wagon to pack on the journey.

Lone Rider has a lightweight aluminum chassis and puncture-free wheels. The wagon comes with a 5-point harness seat, removable front bracket and basket. Folding backrest to sleeping position. Smart look window in the back cover that allows you to always keep your child up to date.
