Warning:

Please keep these instructions for future reference

- 1 Never leave your child unattended.
- 2 Always use the safety strap provided to secure your child when using the change table.
- 3 Make sure to apply all brakes before placing your child in the bathtub or on the change pad
- 4 The mesh bag should not carry a load greater than 1kg.
- 5 The weight of the child should not exceed 14kgs
- 6 Keep the change table away from all electrical items.
- 7 Do not use the change table for a manner it was not designed for.
- 8 Do not use the change table if any parts seem to be broken or missing.

Care & Maintenance

To extend the life of your change table you must always keep it clean, and it is preferred not to keep it under direct sunlight as this may cause some damages to your Change table.

The change table pad and other fabric parts may be cleaned using a damp sponge with either soap or a mild detergent. Before storing the table away or reusing it make sure it is completely dry.

Before using the change table always check all parts including screws, nuts and other fasteners for any loose items or broken parts. If you happen to find any broken or missing parts be sure to contact us as soon as possible, to have those parts replaced for you.

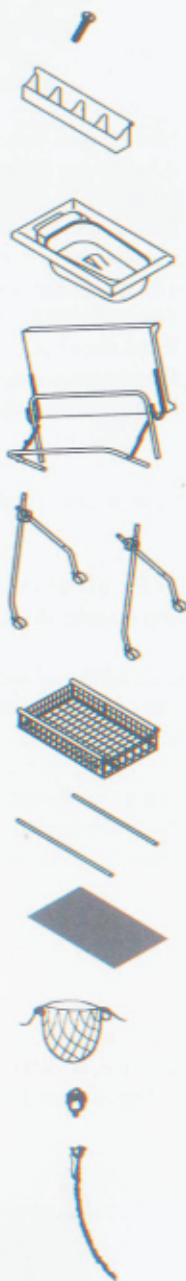

Warranty

This product is covered with a 12 month warranty on the condition the product has not been neglected, accidentally damaged, or misused and is used under normal use. The warranty begins from the date of purchase.

Hardware Contents:

The following items should be found inside your change table.

- A) 4 Screws
- B) 2 soap holders
- C) Bath tub
- D) changing pad with bath frame
- E) Leg sets
- F) Mesh basket
- G) Bottom tube
