Safety guidelines and instructions must always be followed before making use of this product, please retain these instructions for future reference:

#### WARNING:

- When using as a play yard, never leave child unattended and always keep child in view.
- This Travel Cot including top rails must be fully erected prior to use. Top rails must be locked in upright position and mattress pad used.
- Make sure latches are secure before use
- Do not use this travel cot if the enclosed or attached instructions cannot be strictly adhered to.
- Do not use this travel cot if the child is able to climb out unaided or is taller than 89cm (35 inches).
- Do not place cords, straps or similar items that could become wound around the child's neck in or near the travel cot.
- Ensure that the sides are properly latched or locked in place when the travel cot is occupied.
- **SUFFOCATION HAZZARD:** To help prevent suffocation from entrapment, use only the pad/mattress provided by the manufacture. Never use additional mattresses or padding.
- Do not use a water mattress in this travel cot.

#### IMPORTANT NOTE:

Familiarize yourself with the safe baby sleeping rules concerning blankets, pillows, toys etc. SIDS has been associated with suffocation due to loose materials in a crib.

#### CARE AND MAINTENANCE:

To ensure your Travel Cot lasts a long time you must maintain it. To maintain the Travel Cot follow the below steps:

- Fitted Sheet: (If included): Machine wash in cold water under a delicate cycle. Tumble dry on low heat.
- Carrying Bag: Hand wash in cold water with mild detergent, drip dry.
- Travel Cot & Mattress Pad: Spot clean with mild household detergent and water. Drip dry only
- Bassinet & Change Table: Spot clean with mild household detergent and water. Drip dry.

### Using the Change Table:

Remove the changer from the bag. (As shown in fig 1)

Place the clips of the mattress on the short side of travel cot and make sure the clips lock in position with the frame. (As shown in Fig 2)

Insert the clips of the changer on the long side of travel cot and make sure the clips lock in position with the frame. (As shown in Fig 3)

To disassemble the changer, follow the above steps in reverse.

### Using the Melody, Vibration & Night Light:
