Care and Maintenance

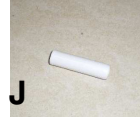

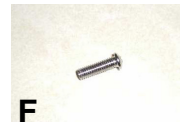

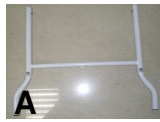

To ensure your bassinet lasts a long time you must maintain it. To maintain the bassinet follow the below steps:

- It is recommended that all fabric is hand washed in warm water with a mild detergent to keep the fabric looking new.
- We recommend the mattress be wiped down with a damp cloth only and left to dry.
- The stand and castors can be cleaned by wiping over with a damp cloth.

NOTE: The hood must first be removed before the bassinet liner can be removed for washing
