

love^hcare™ | athena recliner

n

FEATURES:

Comes with a pillow.

With a swivel base and full recline feature, the Athena will certainly get you through those long nights with your new baby.

Comfortable soft fabrics make it the perfect addition to any nursery

Smooth reclining function with a pop-up leg rest. Recliner mechanism is designed to be virtually silent and can be easily used while holding your baby

You can keep the seat upright and just prop up your legs or fully recline for maximum relaxation.

Easy to assemble, and all in just one box.
