Product Code	HK MAT3
Product Type	Play mat
Main Material	Surface - Acryl Foam - Resin Foam
Size	2300x1400x12mm
Using Temperature	-10°C ~40°C
Age	0-7+

Birthday Party - HK MAT3

9 325049 025601

With this incredibly plush playmat, you can turn any floor into a secure, educational environment for infants. It cushions their slips and tumbles while they explore their surroundings. It gives children and family members plenty of room to connect and develop because it is larger than typical mats. Each mat is reversible, with educating and stimulating illustrations. The durable construction makes it simple to clean, roll away, and use for years to come.

- Reversible design
- Thick padding for safety and comfort
- For indoor and outdoor use
- Non-Slip and rounded edges
- Waterproof, Hygienic and tested to European Toy Standards EN71
- Free of phthalates, no formaldehyde, no heavy metals, no BPA
- 1 year warranty

Care and Maintenance

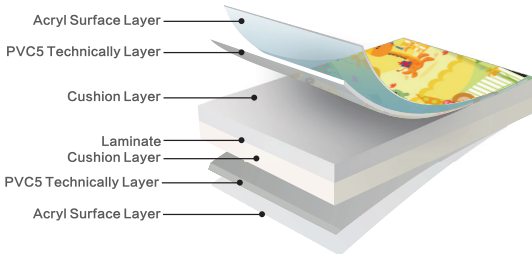

- Wipe down each day with a damp cloth and soapy warm water.
- Avoid cleaning with harsh chemicals, oils, baby wipes and alcohol-based solutions which may cause discolouration.
- Avoid heat and steam cleaning.
- Avoid direct sunlight for too long which may cause discolouration.
