

CH A910

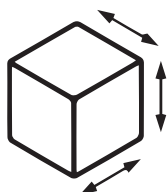

The Houston chest of drawers brings timeless style to your nursery with its clean lines and elegant woodgrain finish. Designed for long-lasting use, it features three spacious full-length drawers and a detachable changing top that can be easily removed once no longer needed. Blending practicality with classic design, the Houston chest provides generous storage with fully extendable drawers while doubling as a convenient changing station during your baby's early years.

- The Houston Chest is thoughtfully designed with three roomy drawers, each fitted with soft-close runners to keep little fingers safe.
- Add the detachable changer top to turn it into a handy changing station for those early years.
- Hidden fixings mean the surface stays smooth and unmarked once the changer is no longer needed.
- Made from sturdy MDF with easy-slide rails, it's a reliable storage solution built for growing families.
- Supplied flat-packed for straightforward home assembly.
- recommended change pad size of 780mm x 490mm.
