

Your little one will sleep peacefully in the Houston Cot, thoughtfully crafted with both comfort and safety in mind. With adjustable mattress heights and a sleek, modern look, it combines practicality with timeless style. As your child grows, the cot seamlessly converts into a toddler bed or day sofa, creating a cosy spot for rest or relaxation that lasts beyond the baby years. A protective teething rail is also included for added peace of mind.

- Built to grow alongside your child, this cot seamlessly transforms into a toddler bed – suitable from newborn through to around 5 years.
  - Its sleek, modern design with clean lines makes it a stylish addition to any nursery.
  - Crafted from durable MDF, it features a 2-position mattress base to keep your baby safe and comfortable at every stage.
  - As your child grows, the cot converts first into a toddler bed, then into a practical sofa bed – offering years of versatile use.
  - Designed to fit a recommended mattress size of 1310mm x 760mm.
  - Delivered flat-packed for convenient transport and easy home assembly.
- Assembled Dimension Cot/Junior Bed: 82cm(H) x 138cm(L) x 83.6cm(W)  
Cot Weight: 57.60kgs

Complies with Australian/New Zealand Safety Standards
