## Taupe Teddy

Wrap yourself in warmth and sink into serenity with the Luna Electric Recliner Chair in Taupe Teddy — where indulgent softness meets quiet luxury. Designed for life's gentlest moments, Luna is your sanctuary of comfort — a place to rest, feed, and reconnect with your little one in complete tranquility.

Upholstered in an irresistibly soft woolly taupe teddy fabric, Luna feels like a warm embrace, offering a cocoon of comfort that soothes both body and mind. Its plush, cloud-like texture adds a touch of understated elegance to your nursery or living space, blending timeless style with the cozy charm of home.

With an effortless electric recline and leg lift, Luna glides smoothly between positions at the touch of a button — allowing you to find perfect comfort without strain or adjustment. The ergonomic backrest, supportive armrests, and 240-degree swivel base are thoughtfully designed to cradle your body in every moment, offering complete support for rest, recovery, and relaxation. With a smooth swivel base and gentle gliding motion, Luna helps you relax and unwind through those long nights and early mornings, soothing both you and your baby with every gentle movement. The high backrest provides exceptional head and back support, while the ergonomically positioned armrests ensure comfort during breast or bottle feeding.

Luna's easy-access recline function allows you to fully lean back and elevate your feet at the press of a button — perfect for moments of rest, bonding, or simply catching your breath.

Designed for modern living, the Luna Recliner Chair arrives conveniently flat-packed for easy assembly, so you can start enjoying your new sanctuary straight away.

Functional, practical, and beautifully versatile, Luna is more than just a nursery chair — it's a companion for your parenting journey and a luxurious addition to your home.
